

Payment Options for Primary Care of Jamestown Patients

- **Cash Rate:** If you have no insurance or choose not to file with your insurance, Primary Care of Jamestown offers a cash rate option. New Patient Office Visit rate is \$150.00. Established Patient Office Visit rate is \$100.00 (excludes Gynecology). Payment is expected at the time of service.
- **Sliding Fee Scale:** (low-income qualified patients) Primary Care of Jamestown, LLC offers a discount program based on family size and income for all patients who qualify. The cost per visit will range from \$30 to \$75 per visit. Please bring proof of household income to your first visit. If you do not bring your proof of income, you will receive our cash discount rate. Within 30 days of your self-pay application proof of income may be presented for a retro adjustment. Payment is expected at the time of service.
- **Medicaid and Medicare:** Primary Care of Jamestown accepts all Medicare and TN Medicaid.
- **Commercial:** Primary Care of Jamestown accepts most insurance plans. Patients are responsible to know if the provider they are seeing is covered under their plan. Ask the Receptionist for assistance if needed. All insurance co-payments are due at time of service.
- **Outside Lab Services:** All labs will be billed separately from Pathgroup or the lab designated by your insurance.
- **Shingles Vaccine:** Is not covered under sliding scale rates and is \$175.00
- **Covid & Flu Vaccine:** Is not covered under sliding scale rates and is \$155.00
- **Nurse Visits:** are not covered under sliding scale rates and is \$45.00
